

Quantum FD[©]

Privacy Policy

This privacy policy sets out how Quantum FD UG, or the "Site" as referred in this policy, uses and protects any information that you give Quantum FD when you use this website.

By providing information to us, you expressly agree to this Privacy Policy. This Privacy Policy was last updated on January 21st 2017 and applies from that date.

We may occasionally amend this Privacy Policy. Any new policy will automatically be effective when it is published on the website. You should therefore return here regularly to view our most up to date Privacy Policy. You should also print a copy for your records.

What information do we collect?

Most of the information we collect is information provided directly by you. This may include:

- + contact information – information such as name, job title, company name, department, email address, physical mailing address, telephone number;
- + transaction information – your contact information, the products you are interested in, your purchasing requirements, your financial information including credit card or other payment information;
- + license verification information – when you use our products, we may verify that both the product and your use of it are appropriately licensed, using third party providers and tools. We may share your data with our third party providers to support that. Data regarding unlicensed use and users may be collected and processed by us. If we believe that use of our software is unlicensed we may also share that data with other software companies, organizations set up to counter software theft and law enforcement;

How do we use your information?

We use information collected about you as outlined in this Privacy Policy.

Our primary purpose in collecting your personal data is to provide you with the services you requested and those which we believe will optimize your use of the Site. We may use your personal data for the following purposes:

- + to provide the information, services or support you request and related after-sales services;
- + to identify you, and to contact you from time to time with product or service updates;
- + to send other messages that are useful to the service we provide;
- + to manage our relationship with you and to carry out any related administration;

- + to promote our services, or the services of our partners, including via email and social media platforms;
- + to compare information for accuracy, and verify it with third parties;
- + to detect, investigate and prevent activity we think may be potentially illegal, unlawful or harmful and to enforce our Privacy Policy and/or our Terms or any other purpose referenced herein or therein.
- + to carry out research, including market research, statistical research on site traffic and other commercial information to assist us in improving the services we provide to you and tailor the Site.
- + to evaluate your application to work with us.

Who may use your information?

We may disclose your personal data to enforce our policies, to comply with our legal obligations or in the interests of security, public interest or law enforcement in any country where we have entities or affiliates. For example, we may respond to a request by a law enforcement agency or regulatory or governmental authority. We may also disclose data in connection with actual or proposed litigation, or to protect our property, security, people and other rights or interests.

You may have accessed our website through a hyperlink from the website of one of our trading partners. If so, you consent to your personal details and purchase information, including behavioral patterns, being shared with that trading partner in accordance with our contractual relationship with them.

If we are sold, or some of its assets transferred to a third party, your personal information, as a valuable asset, may also be transferred to the acquirer, even if they are not in the same line of business as us. Our customer database could be sold separately from the rest of the business, in whole or in a number of parts. Potential purchasers and their advisors may have limited access to data as part of the sale process. However, use of your personal information will remain subject to this Privacy Policy.

Third party links

The Site may contain links to third parties' websites. We are not responsible for the privacy practices or the content of those websites. Therefore, please read carefully any privacy policies on those links or websites before either agreeing to their terms or using those websites.

How do we protect your information?

We take what we consider to be appropriate technical and organizational measures to guard against unauthorized or unlawful processing of your personal data and against accidental loss or destruction of, or damage to, your personal data. While no system is completely secure, we believe the measures implemented by the Site reduce our vulnerability to security problems to a level appropriate to the type of data involved. We have security measures in place to protect our user database and access to this database is restricted internally.

Marketing communications

As outlined above, we (or in some cases third parties) may use your information to send you marketing information in accordance with any marketing preferences you have selected when providing your information.

How long do we keep your information?

We will retain your personal data only as long as is necessary for the purposes set out in this Privacy Policy, or as is required by applicable law, and then we will delete it.

How do you contact us?

If you have any questions about this Privacy Policy, the practices of this Site, or your dealings with this Site, we encourage you to contact us at contact@quantumfd.com
